### *RemX Acquires Smart Professional Resources of Winter Park, Florida*

**Atlanta Georgia – February 9, 2017** – RemX, a leading specialist in the recruitment of office support, finance and accounting, contact center, information technology and engineering professionals in the United States announced that it has acquired the assets of Smart Professional Resources, a prominent Central Florida staffing company operating in Orlando and Winter Park.

“We are excited to work with the employees and clients from Smart and unite together to expand our business in Central Florida. They share our values and commitment to delivering an exceptional customer experience,” said Joanie Courtney, President and Chief Operating Officer of RemX. “We see significant growth opportunities in the market and this acquisition demonstrates our commitment to bringing innovative workforce solutions, exceptional talent and unmatched customer service to the market.”

“Joining RemX is exciting for our employees; it will open new doors in terms of developing their skills and capabilities. Our customers will benefit as well; we can now bring a portfolio of resources that are backed by one of the strongest players in the industry. Our capabilities can fill virtually any customer requirement, from a highly specialized skill set to complete a project, to searching for the ideal candidate for full-time hire, or staffing up for a cyclical business need, we will have the expertise and workforce solution that is needed,” commented Seth Bobet.

**About Smart Professional Resources:** Smart is a niche Financial and Accounting staffing firm specializing in contingency and retained search services for experienced finance and accounting professionals. As a small boutique firm with roots in Orlando for over 30 years we are well connected in Central Florida, which offers our Clients and Candidates opportunities which other staffing firms cannot offer.

**About RemX:** RemX is the professional staffing division of EmployBridge, one of the largest Workforce Specialist firms in the country and with more than 500 offices in the U.S. and Canada. For nearly two decades, RemX has specialized in the recruitment of office support, finance and accounting, contact center, information technology and engineering professionals. Using its proven “Exact Match” methodology, RemX matches qualified talent with the right job opportunities on a temporary, contract, contract-to-hire and direct hire basis.
